CNN aired a special last week to recognize *Starting Right, Now* (SRN).

I am so proud of the kids who spoke honestly about their obstacles and how SRN helped them achieve their goals. Below are two videos, of the two students.

Take a minute to click on the videos to hear their stories. I know for sure, you will be touched! If you feel inclined, please help us with a donation on [Crowdrise](#).

I'd love to hear your feedback after you've watched the videos. Enjoy! And, thanks for all you do to make SRN and our community a great place to live!
